ABBAY
COLLEGE**

53132

How is a college conceived? From the impregnated minds of dedicated men . . . from a dream, a plan, into a reality . . . the spirit grows to fulfill the need . . . there must be then a place . . . buildings . . . those who will teach . . . and those who will learn . . . From this a college is born . . . It is the years after that bring maturity . . . those after that establish . . . For there is quality with growth.

6 WHERE THE MUSIC IS

Growth is
Communication . . .

. . . Among Students

. . . Between

Students And Faculty

Growth Is Acquiring Culture . . .

. . . and Knowledge

and

self-discipline

Growth is living together . . .
 playing together . . .
 laughing together . .

Growth
must be
Shared . . .

Discussed . . .

And Contemplated

There Must Be Decisions . . .

and often
disappointments

experiments . . .

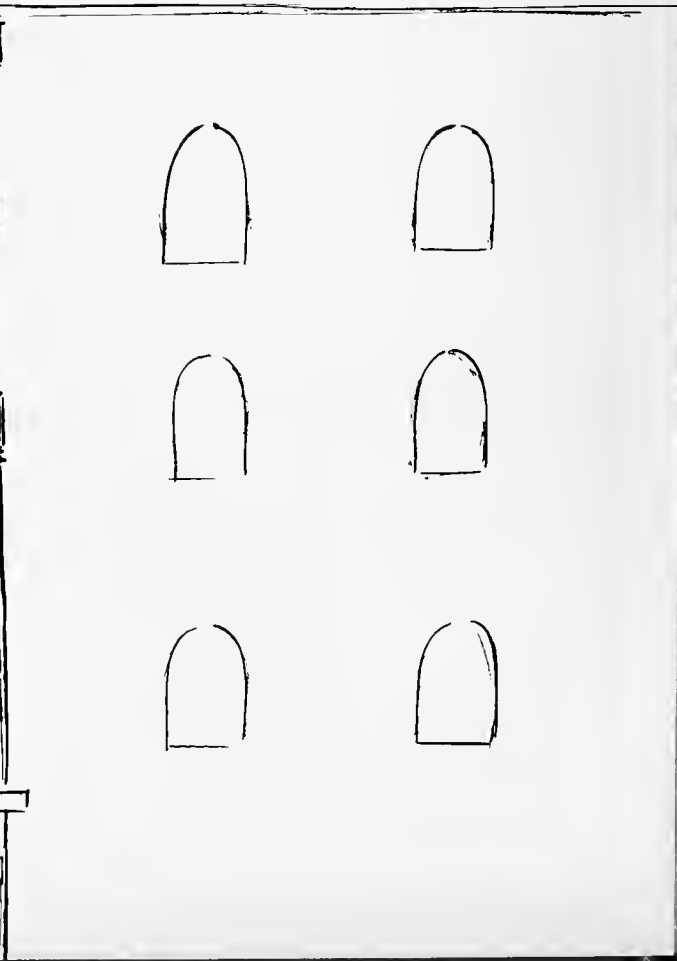

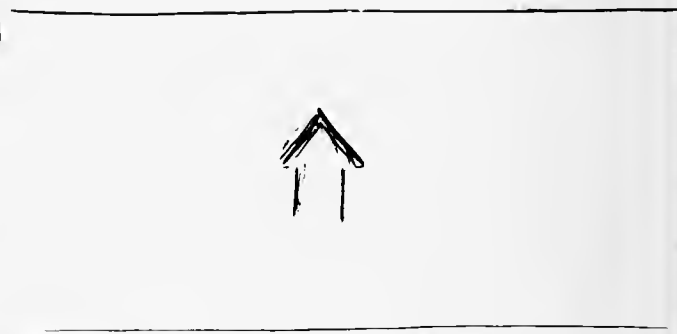

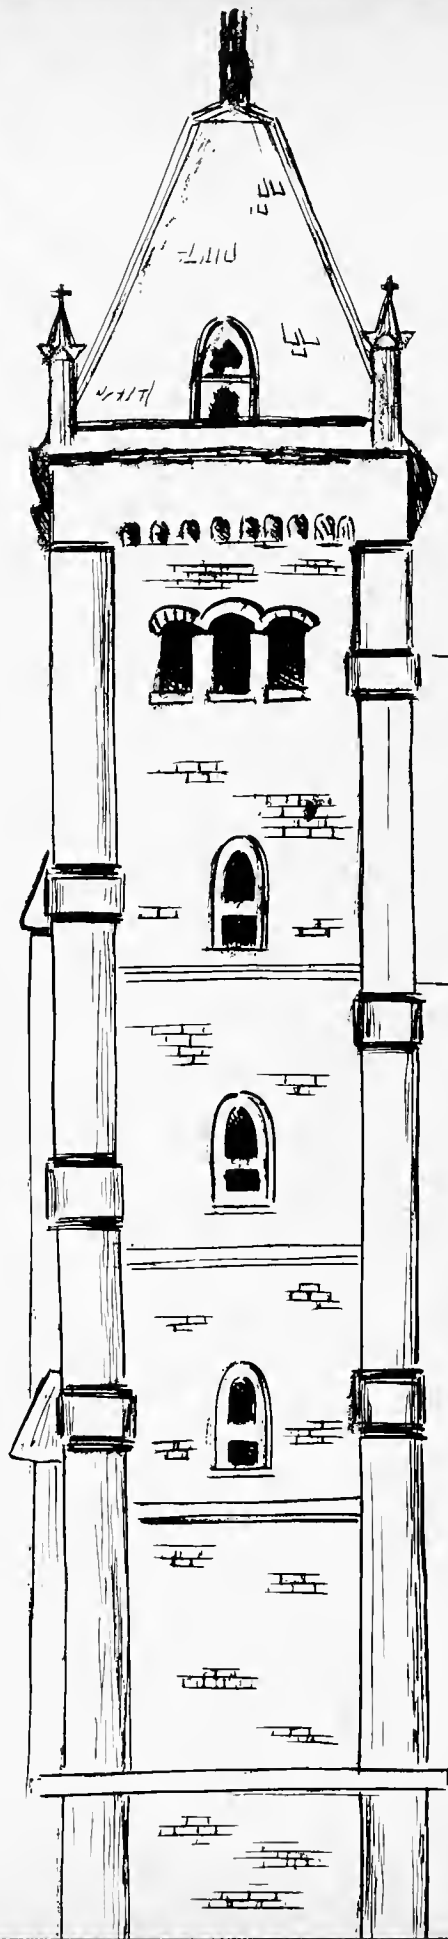

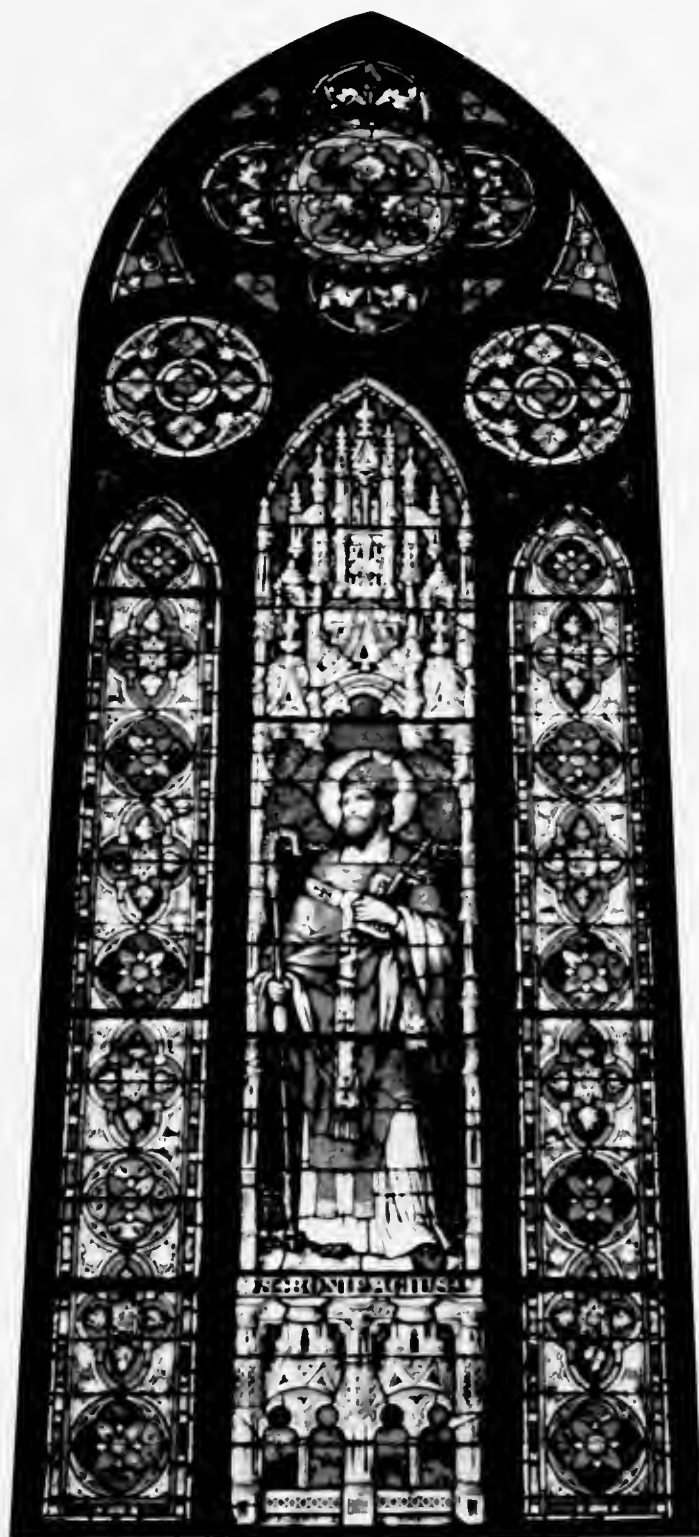

But this is
what growth
is
this is
what college
is.
